

# JOHN NEILL *Painting & Decorating*

## CHARITABLE PROJECT PROPOSAL FORM

---

In recognition of our gratitude, we are always looking for ways to give back to the communities that have helped make our company what it is today. Each year we select one local recipient and complete a needed project at no cost. If your local church, synagogue, school, or other non-profit organization is in need of work, please complete and submit this form. Selections are made in late October and projects are carried out in the month of January. If you have any further questions, please call. Thank You.
